Welcome

DIXONS ALLERTON ACADEMY - MAKING A BIG DIFFERENCE

I am delighted to introduce you to our Primary Phase.

As a teacher and a Head of School, I am dedicated to making every learning opportunity irresistible to all learners and making joyful memories of every school day. I want every child to wake up in the morning and be eager to come to our school; excited about that day's learning journey.

I am committed to everybody in our school being keen to learn and making progress. I hope you agree that our focus on health and science will help children to understand and make sense of the world they live in.

Our brand new building with excellent indoor and outdoor facilities will be an exciting, safe and stimulating environment for children and adults to learn together.

CHRIS CURRIE
HEAD OF PRIMARY, DIXONS ALLERTON ACADEMY

DIXONS ALLERTON ACADEMY - PROUD TO BE A THROUGH SCHOOL

As a Dixons Academy, our mission is simple: we celebrate diversity, have high aspirations for the future and relentlessly focus on the highest standards of pupil achievement. As a result, achievement rates are rising quickly. This rise has been faster than the national rate of improvement over a sustained period and this trend is set to continue.

Through our vertical House system we promote traditional values of respect, caring for each other and self-discipline, while celebrating the academy's diverse talents, abilities and cultures. We welcome all our children and their families and strive for a cohesive community where everyone is valued no matter what their background, culture or faith.

In September 2013 we look forward to welcoming our Nursery and Reception children and we will all be housed together in our new and exciting all-through building with the very best facilities for our students - from age 3 to 19 - a place where learning will be fun. All our children, from the very youngest upwards, will be cared for and nurtured so that they make rapid progress and grow into caring and responsible young adults.

RACHEL KIDD
PRINCIPAL, DIXONS ALLERTON ACADEMY

Dixons

Dixons Allerton Academy is the second school to offer primary education in the Dixons family of academies. It will form part of the all-through Dixons Allerton Academy and will work in close collaboration with Dixons City Academy, Dixons Trinity Academy and Dixons Music Primary. We all aim to:

- relentlessly focus on student achievement
- create a can-do, independent culture
- emphasise the importance of self-discipline
- work in close partnership with parents.

WE ALL AIM TO
RELENTLESSLY
FOCUS ON
STUDENT
ACHIEVEMENT

Diversity

We serve the West Bradford area. We are dedicated to providing a safe and inclusive environment which ensures that every child meets their full potential by:

- everyone learning the importance of working together
- everyone respecting one another
- everyone understanding the importance of listening to and caring for others.

PROVIDING
A SAFE AND
INCLUSIVE
ENVIRONMENT

Aspiration

We are dedicated to improving life chances for all by:

- providing real life learning opportunities in and out of school
- enabling children to believe that anything is possible with hard work
- teaching reading, writing, phonics and mathematics in a variety of playful, meaningful and irresistible ways.

DEDICATED TO
IMPROVING LIFE
CHANCES

Achievement

We aim to produce happy, independent and successful learners who achieve their full potential by:

- providing opportunities for children to problem solve
- enabling children to be self-reliant, responsible and imaginative
- unlocking the potential of every child by creating powerful memories of school
- making sure children are confident and well prepared for their future lives.

UNLOCKING
THE
POTENTIAL
OF EVERY
CHILD

Health

We will work closely with families to develop children with healthy bodies, healthy minds and healthy attitudes by:

- learning through Physical Education, sport and outdoor enquiry
- children and staff eating healthy foods
- all using teamwork to make sure everybody feels safe and respected
- capturing and using the magic of childhood in joyful and active ways.

DEVELOP
CHILDREN WITH
HEALTHY BODIES,
HEALTHY MINDS
AND HEALTHY
ATTITUDES

Science

We will use the power of science and scientific thinking by:

- finding out through enquiry (see → think → wonder)
- enabling children to ask good questions and explore to find out more
- encouraging children to think and speak with reasoning
- teaching children how to use scientific equipment to help them learn.

WE WILL USE
THE POWER
OF SCIENCE
AND SCIENTIFIC
THINKING

Learning Contract

Our Primary Phase will promote life-long learning by:

- all of our staff seeing themselves as learners and looking for ways to improve and learn new skills
- all knowing how to improve and make progress
- providing lots of opportunities for our families and staff to learn new skills.

We have high expectations of ourselves, our pupils and our families; we all learn together.

WE ALL
LEARN
TOGETHER
