

September 2017

Dear Parent or Carer

Thank you for taking the time to express your concerns about lunchtime. It is agreed, that where school meals are no longer an option for your child, a packed lunch may be brought to school. As a school committed to healthy eating and supporting children to make healthy choices, we must insist that you stick to strict rules when preparing your child's lunch. Please make sure that your child's lunch contains only a combination of the following:

Sandwich (with meat or cheese filling only) or other savoury item.

Yogurt

Piece of fruit

Crisps **or** biscuit (only one 'treat' per box)

Children do not need to bring drinks to school. Water is provided for everybody at lunch time. It is also essential that lunchboxes do not contain any nut products. We have a number of children with severe allergies and must take every step to minimise the risk of reaction.

To maintain our commitment to family dining, we will ask children to put the contents of their lunchbox on a plate and join in with the routines at the dinner table. Please make sure that lunchboxes are small so that they can be stored easily.

The option of a packed lunch must be chosen for the full half term. This will enable the office to manage payments easily and also ensure that kitchen staff can cater for the correct number of children.

Please speak to myself or the class teacher if you would like any further help or information with making decisions about lunchtimes.

Kind Regards,

Rebecca Greenwood
Deputy Head Teacher
