

18 July 2018

Dear Parent/Carer

Year 5 will be visiting the Star Centre, Keighley Campus on **Friday 31 August 2018**. This educational visit is designed to give children an exciting insight into space and our universe while supporting the Science curriculum. There will be a series of interactive tasks which use space as a theme to encourage children to take an interest in science related subjects in the future.

The cost of this trip is £10. Please pay this through ParentPay. If you have any difficulties with ParentPay please ask a member of the office staff for support.

At Dixons Allerton Academy, safety is a priority. We ensure a high ratio of adults to children and always have a qualified first aider with us. We will be wearing high visibility jackets for extra safety. As with all school trips children will be expected to wear school uniform and suitable footwear

We will be taking the children in two groups. Group 1 will be visiting in the morning: departing from school at 8.30am, they will have lunch at The Star Centre, then come back to school. Your child may bring a packed lunch if they wish but if you would like school to provide a lunch bag please let us know on the reply slip below.

Group 2 will be visiting in the afternoon so will have lunch at school before they leave. Group 2 will arrive back at school for 3.15pm however we may be later if traffic is bad.

The admin office is open throughout the Summer 8am - 4pm Monday to Friday for you to hand in your reply slips. However, if you would prefer your child not to go on this visit please let the class teacher know on the first day back on the 30th August.

Yours sincerely

Mr A Severs
Deputy Head, Primary

I give permission for my child _____ in class _____ to attend the Year 5 trip to The Star Centre, Keighley and have paid £10 on ParentPay.

My child is in **Group 1** and I would like a lunch bag providing for them please
